## IN OLD FREDERICKSBURG.

**Mr. W. A. Moncre promoted.**

**Barn of Robert Johnson Burns.**

**FREDERICKSBURG, Va., February 5.**—W. A. Moncre, of Stafford County, who has been in the employ of the Pennsylvania Railroad for some years, has just been promoted to be engineer of the right of way for the entire Pennsylvania system east of Pittsburgh, at a handsome salary.

The snow, which commenced falling here Monday evening, continuing through the night, did not cease until this morning, reaching a depth of over six inches. This is the heaviest fall of snow this winter, and the sleighing is excellent.

The barn of Robert Johnson, of Spotsylvania County, near this city, was destroyed by fire Monday night, together with its contents of farming implements, feed, etc.

A bazaar under the joint auspices of the Knights of Pythias, Patriotic Sons of America and Red Men, opened at the opera house last night, and will continue through the week. The management of the bazaar is in charge of a number of ladies, who will make it a great success.

The remains of A. J. Samuel, formerly of Caroline County, who died in Washington, were brought here yesterday and taken to his old home for interment. Mr. Samuel was sixty years old, and is survived by his second wife and three young children, also three sons and one daughter by his first wife.

## NORFOLK HAPPY OVER NEW LOAN

Exposition Work Will Now Be Rushed With All Possible Speed.

## ARKANSAS AT THE FAIR

That State Will Certainly Appropriate \$50,000 for Participation in Exposition.

**[Special to The Times-Dispatch.]**  
**NORFOLK, Va., February 5.**—The granting by Congress of the \$100,000 loan to the Jamestown Exposition, and the appropriation of \$50,000 for the necessary dredging of approaches to the exposition piers assure the completion of the great Jamestown tercentennial celebration in its minutest detail.

While it was never doubted that sufficient money would be obtained for the completion of the enterprise, the information telegraphed here from Washington late yesterday afternoon that the House of Representatives had concurred in the Senate bill for the loan and appropriation, rejoicing was unbounded. There is no more loyal set of citizens anywhere than are the men and scores of young women at exposition headquarters. Even the office boys evidenced the keenest interest in the outcome of the loan.

## Beautiful Grounds.

The money obtained will be used principally for the beautifying of the exposition grounds, and the laying of streets and sidewalks and courts, the erection of aeronautic, graphic arts, convention and history and educational buildings. Work on all of these improvements, it was announced at exposition headquarters to-day, will now be pushed rapidly.

Arkansas is in line for the Jamestown Exposition. A telegram was received to-day at exposition headquarters from Mr. R. H. Bigby, of Portsmouth, who, with Colonel R. C. Marshall, is now in Little Rock, where the Arkansas Legislature is in session, announcing that a bill had been introduced in the Legislature for the appropriation of \$50,000 for the State's participation in the exposition. The telegram says that an appropriation will surely be made.

## COLD IN LOUISA.

**Thermometer Down to Eight Degrees and Storm Unabated.**

**FREDERICKSBURG, Va., February 5.**—This morning dawned with the ground covered with five inches of snow, and in places it has drifted, and the depth measures eighteen inches, and it is still snowing furiously. The mercury registers below eight degrees, and the clouds are hanging heavy.

## UNION SOCIETY WINS.

**Trophy Offered by Mr. Halsey Goes to This Society.**

**[Special to The Times-Dispatch.]**  
**HAMPDEN-SIDNEY COLLEGE, February 5.**—The debate between the Union and Philanthropic societies for the Halsey trophy took place in the college chapel on Saturday night. The debate was carried on by the Union society, and the Philanthropic society, "That Education Has a Greater Influence than Wealth." The Union society had the affirmative and the Philanthropic society the negative. The representatives of the Union were: J. Young, of West Virginia, and S. S. Zimmerman, of Virginia. The Philanthropic representatives were: W. Dixon Foster and R. J. Chambers, both of Virginia. All the speeches were excellent, but it was decided by majority vote of the judges that the affirmative was entitled to the trophy.

The judges were: Dr. Whorther, of Hampden-Sidney; Prof. Elmer E. Jones, of the Normal School; and Mr. Robert E. Brock, of the Farmville bar. Mr. Brock, as chairman, announced the decision and presented the trophy to the winning side.

## STRIKE OVER.

**Longshoremen Give in and Return to Work at Old Scale.**

**NORFOLK, Va., February 5.**—At the offices of Furness, Withy & Company, Limited, it was announced yesterday that there would be no further trouble in the strike of the longshoremen here. The men had been contending for an advance in pay from twenty cents to twenty-five cents per hour. They have gone back to work at the old scale. All of last week's foreign shipping from the port was held up by the strike, freight being bargained to Newport News for loading.

## Farmers Get Ice.

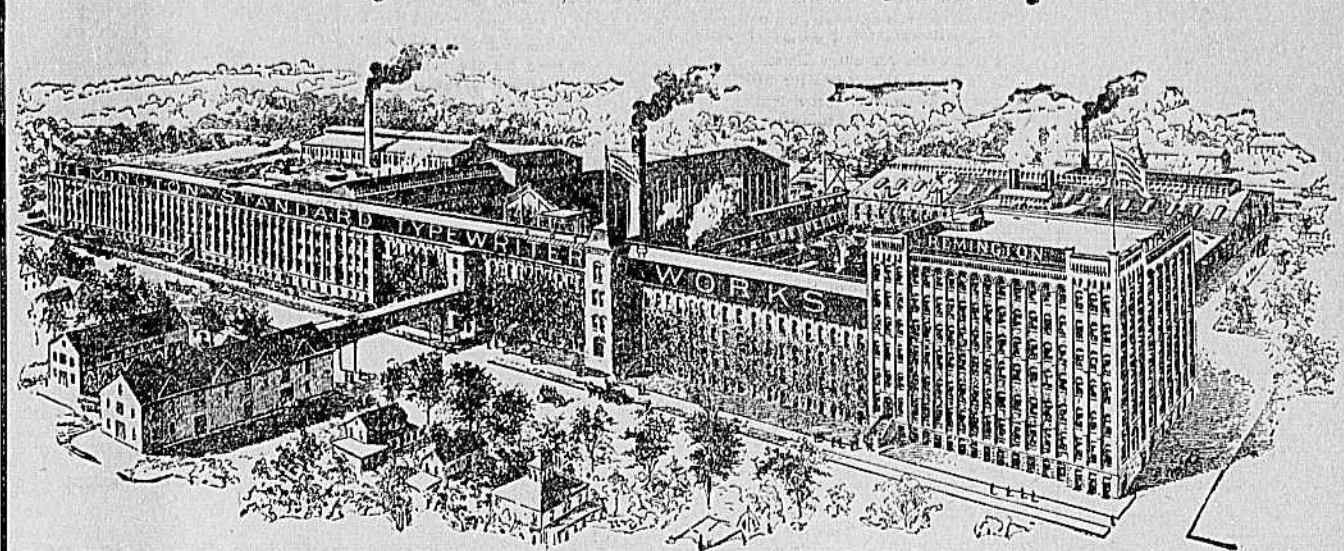

**TWYMAN'S MILLS, Va., February 5.**—The ground-hog saw his shadow Saturday, and from present indications we will have winter in full. Most of the people have been fortunate enough to fill their ice-houses with ice. Jim and Dick Baker and Sid Campbell, all colored, were up before Justice "this" Saturday, charged with fighting. The Bakers were fined \$10 and costs, the whole sum being \$19.50. It was promptly paid and the parties were set free.

## BOYDTON CITIZEN WEBS IN THREE WEEKS

Groom of Seventy Courts Comely Widow in Two Hours—Wife Just Died.

**[Special to The Times-Dispatch.]**

**BOYDTON, Va., February 5.**—Circuit Clerk Hutchins issued a marriage license to Richard Carter a short time since to marry the widow Ella Jones. The groom is about seventy years old. When he made application for the license, the clerk, being of an inquisitive turn of mind, inquired of the groom how long his wife had been dead. He replied three weeks, and then added that he had just courted the widow about two hours before, and if he could procure a preacher he would be married before night. So he procured the license, got the preacher and was, sure enough, married that day.

## MOTHER LOVES HIM.

**Aged Lady Writes Tenderly of Erring Son in Jail at Boydton.**

**[Special to The Times-Dispatch.]**

**BOYDTON, Va., February 5.**—Percy Martin, the train robber on the Seaboard Railroad, who is here in jail awaiting trial, continues to excite sympathy among some of the ladies of this community. The mother of this young outlaw has written to these ladies, expressing gratitude to them for kindness shown her son. She expresses a great desire to see him, and says, while she thinks he ought to be punished, that she is getting old, and it may be the last opportunity she will ever have of seeing this erring son. A plan is on foot to raise funds to defray her traveling expenses here. The Circuit Court begins on Monday, February 18th, at which time of the trial it is expected that Martin will be tried. There are two counts in the indictment against him—one for holding up the passengers with his pistol, and the other for shooting and wounding Pullman Car Conductor Eberhart, who had charge of the sleeper upon which the robbery occurred.

## Stabs Man at Party.

**BOYLING GREEN, Va., February 5.**—Saturday night at a negro festival John Taylor, after snapping his pistol three times at Jemmer Coleman, who drew his knife and stabbed Coleman, who died in a short while. It seems there was a festival at the house of Susan Taylor, a difficult case, resulting as above. Searching parties are looking for Taylor, who is a desperate character. All the parties are closed.

## SCIATIC TORTURE.

**A Locomotive Engineer Tells How He Was Cured by Dr. Williams' Pink Pills.**

Pain that seems almost unbearable in a characteristic of sciatic rheumatism. In some cases the pain is knife-like, sharp or shooting; in others it is dull and aching. Sciatica is stubborn in resisting treatment, and the patient frequently suffers for years. This was the case with Mr. Herbert B. Spaulding, a locomotive engineer on the Cincinnati, New Orleans and Texas-Pacific railway, whose home is at Longview, Texas.

"While running an engine some years ago," he says, "I fell off and hurt my knee and spine, and I have always considered this to be the cause of my illness. The sciatica took hold of me from my heel to the back of my head. The pain was the worst I ever suffered in my life, and my leg and back were twisted out of shape. I was under a physician's care for several months, and for six months could not get out of bed. I also went to Hot Springs, but came back in a worse condition than when I started."

"It was when I was down in bed that I heard of the case of a Mr. Allison, a much older man than myself, who had been cured of sciatica by Dr. Williams' Pink Pills. I began taking the pills, and soon was able to get out of bed. When I had taken six boxes I was able to work about the house and yard. I kept right on with the pills until I was cured, and I have never had any return of the trouble. I have been running an engine ever since."

Dr. Williams' Pink Pills are sold by all druggists, or sent, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by Dr. Williams' Medicine Co., Schenectady, N. Y.

## OFFER TO DONATE HOSPITAL TO RADFORD

Dr. Fisher at Delightful "Yankee" Party Makes Announcement of Generous Purpose.

**[Special to The Times-Dispatch.]**

**RADFORD, Va., February 5.**—The "Yankee" party given at Valley View Hospital Friday evening, the first anniversary of the establishment of the institution, was one of the largest and most enjoyable given here in several years. About 200 guests partook of the generous hospitality of Dr. Fisher, and numbers more would have been present had the rain and mud, which made the evening one of great inclemency.

The hospital was lavishly and artistically decorated. Several hundred electric bulbs illuminated the front of the building, and over the entrance, the word "Welcome" gleamed in letters of light on a background of white framed in evergreen. Indoors, the entire lower floor was decorated in bunting, flags and evergreen. The March flag, together with the Virginia flag, showing up attractively mid the dozens of Uncle Sam's banners that gave to the hospital so festive an air, while a great blazing wood fire in the reception hall, roses, carnations and tulle added the finishing touches.

Dr. C. E. Fisher, superintendent of the hospital, was assisted in receiving his guests by Miss Pearl Cary Preston, Misses Belle, Sue and Lily Tyler, Mrs. Hamby, of Alleghany Tunnel, and the following nurses: Misses Emma and Anna Hansenzahl, Misses Southall, Davidson, McMillen, Hurst and Stringer; Messrs. J. W. and L. W. Fisher also assisted in doing the honors.

The program opened with prayer by Governor Tyler, and the singing of the doxology by the guests, with orchestral accompaniment, which was followed by an attractive musical program. Mrs. T. E. Vaughan sang several times, accompanied by Mrs. Puma and Mr. H. S. Brown, violinist of the V. P. I. orchestra. Mrs. Lily P. Kearsley sang with fine effect, Annie Laurie, and was warmly encored, and Dr. T. H. Johnson, a plantation melody that was much enjoyed. A sextette, composed of Messdames Fuqua, Kearsley and Vaughan, and Dr. Johnson, Messrs. Walter Johnson and T. C. Preston, sang "Rocked in the Cradle of the Deep" and "Old Black Joe" in a very acceptable manner, and during the evening all the guests joined in the singing of "The Star Spangled Banner" and "America."

The souvenirs were cards bearing the folds of "Old Glory," in colors, upon the outer leaf, and the words of the "Star Spangled Banner" and "America" inside.

Dancing was a popular feature of the program, the large ward at the extreme end of the building being used for the purpose. The Virginia Polytechnic Institute orchestra furnished the music. The most enjoyable feature of the dance was the old-fashioned square dance, in which many of the students were thrown into the ring. The dancing was so popular that the Mayor and his wife among others, tripped the light fantastic with gay youth.

Cider was passed during the evening, and about 11 o'clock the doors, leading to two large dining-rooms were thrown open, where the tables were set forth with "Yankee" refreshments—mince pie, pumpkin pie and doughnuts, besides Malaga grapes, nuts and bonbons, with elder and great pyramids of red apples, which came all the way from Colorado for the occasion, piled in the center of the tables.

Before the departure of the guests, Dr. Fisher made an informal speech, in which he announced that owing to the fact that the \$25,000 contract would be completed so much earlier than they had agreed to do it, the hospital would be open only a few months longer, and that if the people of Radford would agree to run the institution for a number of years, Mr. McArthur would donate his half, and he (Dr. Fisher) the half of the hospital equipments, which are all new and amount to about \$5,000, upon his departure for other fields. The announcement of this generous offer aroused prolonged applause, and Governor Tyler responded, thanking Dr. Fisher and Mr. McArthur, and expressing the hope that the town would take steps to keep the hospital from being closed.

## Cowpeas

The increasing demand for all kinds of Cowpeas with each season demonstrates the important value of this commodity to farmers. Practical experience in various sections shows their utility, and preference is given to cowpeas fertilizers because they are economical and more satisfactory. In addition to this, their use as a forage crop is almost doubling itself with each year, until the demand has grown to be larger than the supply.

## Soy Beans

The prolific growth of these Beans makes them very desirable seed for a forage crop, and their popularity is increasing every year. They are also valuable in mixing with Cowpeas on account of their tall and stout growth, which serves to hold up the Cowpeas while growing, and they are being largely used for this purpose.

During the past season the weather conditions were exceedingly unfavorable, and destroyed a large per cent. of the crop of both Cowpeas and Soy Beans, but with our large facilities we have been enabled to secure a fairly good supply of both. We shall be glad to quote you prices on several varieties, and, when desired, furnish samples.
